	<p>The objective of this project is to deepen the study of organizational leadership. Firstly, I am going to analyze the definition of this concept, and, after that the main theories have emerged since the early twentieth century to the present. Finally, I am going to define how to be an effective leader in the organization.</p> <p>I have found when I start the study with many theories and investigations, but there is no universal definition. Throughout the previous century and at present the investigators approach the leadership organizational from very different perspectives. I have tried to clarify the term, to arrange the theories and to discover the effective leader, with this project.</p>
